

DIY Tutorial: French Pleat Fold for Napkins

Step 1:
Fold the napkin in half, towards the top. Tip: for best results, start with ironed and starched napkins.

Step 2:
Fold it in half again to the right so that it is folded into quarters

Step 3:
Rotate the napkin so that the open corner is away from you.

Step 4:
Take one of the flaps and fold it to the bottom corner.

Step 5:
Take the second top flap and tuck it behind the bottom one.

Step 6:
Take the third upper flap and tuck it again, making three layers of flaps.

Step 7:
Rotate the napkin so the open end is in the upper right corner.

Step 8:
Fold the right and left sides behind it and tuck one into the other.

Step 9:
Insert a flower, favor or menu and enjoy!
